REQUEST FOR CERTIFICATE OF CORRECTION OF PATENT

It is respectfully requested that a Certificate of Correction be issued for the above-identified patent. The patent contains a printing error that occurred through the fault of Applicant as follows:

Column 6, Equation, change " $C(k) = \sum_{n=1}^N p(n) * s(n \div k)$ " to

$$C(k) = \sum_{n=1}^N p(n) * s(n + k) \quad --.$$

Applicant's counsel notes that the corrected form of the equation with a "plus" sign (+) between the "n" and the "k" should have been used on page 10 of the present application as it was used in the same equation in the parent application, U.S. Serial No. 10/039,411, on page 11. It is further noted that the parent patent, U.S. Patent No. 6,770,142, correctly shows the equation in column 7. Furthermore, parent application Serial No. 10/039,411 was fully incorporated by reference in the present patent, U.S. Patent No. 7,083,823. Therefore, correction to maintain consistency between the parent and the present patent is proper and requested at this time.

In accordance with the established procedure for handling such certificate, Form PTO-1050 is enclosed listing the error.

Applicant believes a fee of \$100 is due as a result of this request. Applicant does not believe that any other fees are due in connection with this submission. However, if such petition is due or any other fees are necessary, the Commissioner

may consider this to be a request for such and charge any necessary fees to deposit account 23-3000.

Respectfully submitted,

WOOD, HERRON & EVANS, L.L.P.
